Regal Experiences with HRH Group of Hotels

Regal Experiences distinguish and define our promise of 'Experience the Original in the Abode of Kings'. At our Grand Heritage Palaces and Royal Retreats, heritage-venues have been developed to successfully conduct meetings, incentives, events, conferences and film-shoots. The exclusive range of heritage-venues, unparalleled and most-sought-after, match the creative needs and hospitality requirements for such experiences, often once-in-a-lifetime experiences! Where else can glorious history become a part of present-day celebrations...Global celebrities, multinational corporations and Indian business houses have conducted their corporate events and personal celebrations at our heritage-venues. Heads of State, film stars, celebrities from the world of glamour and sports have graced these occasions that have made headlines throughout the world.

From glamorous mega-events and glittering wedding banquets to dignified conferences, our 'regal experiences' have been seamlessly organized to suit guests' preferences for cuisine, décor and ambience. Our endeavor to enrich these 'regal experiences' with authentic cuisine, ethnic music and dance, traditional lighting and line-up of vintage cars and horsemen is highly appreciated. It makes the events even more memorable and unique with this unmistakable touch of royal Rajasthan.

Film production houses – from Bollywood to Hollywood – have captured on celluloid the timeless romance of Udaipur and Rajasthan. We work, as a team, with film crews to ensure that shooting schedules are completed on time.

Moreover given the fast-changing and fast-growing hospitality industry, we are geared to match your budgetary requirements with our offer of matchless venues. For global and Indian event management companies, wedding planners and organizers, we have always been attentive to their needs and requirements; collectively, we've worked to ensure that their Regal Experience with HRH Group becomes benchmarked for its spirit of celebration and the roll-out of professional services.

Shikarbadi Hotel, Udaipur

The royal hunting lodge

A Royal Retreat of HRH Group

Not too long ago, Shikarbadi was the exclusive preserve of the royal family of Mewar. Today, you can soak in the sun and enjoy breathtaking views of rolling Aravalli hills, as spotted deer, Neelgai, wild boar, peacocks, and migratory birds make their way to the waterfront. The lake draws them for their daily sustenance, and their feeding-time is a delight for the guests.

Unique to it, the hotel has a private airstrip, a stud farm breeding some of the best Marwari horses in the country and a cricket ground. Shikarbadi covers an impressive 250 acres.

Go exploring along the nature trails, relax in the charming country-home atmosphere of the lodge, hold conferences and meetings, or even celebrate glittering weddings - Shikarbadi Hotel makes very moment memorable.
