Description:

Owing to the presence of the Pichola, the Udai Sagar, and the Swaroop Sagar -- among the most beautiful lakes in the state of Rajasthan -- Udaipur is endearingly referred to as the City of Lakes. The majestic palaces of Udaipur are fine examples of superlative architectural skills. It therefore comes as no surprise that it is one of the foremost tourist destinations of the country and frequented by many.

Five minutes away from Garden Hotel stands the City Palace complex a monumental national icon, emblematic of the Indian sub continent's political, art, architectural, and cultural history from the pre Mughal, Mughal, and British colonial eras to the Post colonial period. The serene and green Garden Hotel. offers comfortable suites and rooms for business and leisure travellers wishing to explore Udaipur and the City Palace complex, a repository of Mewari art and architecture for over 400 years. It is located on the edge of Gulab Bagh, a tree-lined landscaped garden spread across acres. This Royal Retreat of the HRH Group of Hotels offers affordable luxury in the heart of the city.
